Dear David,

I would like to take this opportunity to thank you for your amazing and continued support of the Port Hueneme Police Department, the City of Port Hueneme, and the Cops for Tots Foundation. Your incredible donation has made our endeavor to serve the children of Port Hueneme and South Oxnard a successful one. The Port Hueneme Police Department served over 800 children this year making Christmas wishes come true for the youth of our Friendly City by the Sea. Over 2,000 people walked through our doors on Saturday morning, December 21st.

Donations, like yours, have a tremendous impact on the community and have touched so many lives bringing tears of joy and happiness to those children in need. Without these types of donations, the City of Port Hueneme could not bring these joyous programs to our youth. Thank you for your wonderful donation of **\$5,000** as this has touched the lives of countless children and made a significant difference in the community we live and serve.

Thank you again for your continued support. We look forward to growing the event next year where our goal is to serve over 1,000 children. If you have any questions at all, please don't hesitate to contact me at (805) 797-5669.

Sincerely,

Andrew Salinas
Foundation President
